Skills

Nextjs Redux TypeScript

MongoDB Nodejs

Tailwind Sass Restful API

Education Background

BACHELOR'S OF COMPUTER SCIENCE

University of Alzahra
2020 - 2022

About Me

I'm a passionate self-taught **full-stack** developer with specialization in **MERN** stack & **Nextjs** framework, and I like to learn when I have some free time for myself. I have a particular sensitivity to standard and clean coding and I seek to level up both my soft and technical skills by joining development companies as an intern.

Projects *Use **vpn** for opening the projects

Airbnb Clone - Nextjs

Airbnb clone with Authentication and CRUD fuctinality

[Live Demo](#) [Repo Link](#)

- **Packages:** next-auth, prisma, redux-toolkit, formik
